Computer Science and Engineering Student | MERN Stack
Developer & UI/UX Designer | Tech enthusiast
Sylhet, Sylhet, Bangladesh

Summary

Hey there! I'm Sahid, a passionate Front-End Developer with a knack for turning Figma designs into captivating interactive websites. Currently pursuing my degree in Computer Science & Engineering, I thrive on crafting seamless user experiences through my expertise in React.js, Tailwind CSS, JavaScript, and CSS.

What I Do:

Transforming Figma designs into pixel-perfect, responsive websites. Building intuitive user interfaces that elevate user engagement and satisfaction.

Leveraging my skills in React.js to create dynamic and scalable web applications.

Collaborating with teams to deliver high-quality projects that exceed expectations.

UI/UX Design:

With a keen eye for design aesthetics and user behavior, I specialize in creating visually appealing interfaces that prioritize usability and accessibility.

Let's Connect:

I'm always eager to collaborate on exciting projects and explore new opportunities. Reach out (iamsahidofficial99@gmail.com) if you're looking to enhance your web presence or discuss potential collaborations.

Let's build something amazing together! Connect with me to explore how we can elevate your digital presence.
